

I would like for you to know that the KLOVE station broadcast here in this area (Midland/Odessa region) has had a tremendous impact on my family. All of my children, ages 4-12, enjoy it, as do my husband and I. NO OTHER RADIO STATION is liked by all of my family! Secondly, I have often heard others remark on the fact that they are so glad to have such a great station in our area. Because we are not a large city, we have fewer radio choices. It is in our community's best interest to keep this station broadcasting here.
